VRC rc	Variation of conditions 7 (sample panel), 8 (landscaping), 10 (estate oads), 13 (provision of woodland habitat) and 18 (car and cycle parking) of planning permission 2013/1033, to allow highway (s278) works to start before details in respect of these conditions have been submitted and approved by the Local Planning Authority.	
	and off Wookey Hole Road, Wells	
	RECOMMENDED: REFUSAL Condition 8	
	 Destruction of hedgerow, wildlife habitat (currently bird nesting season) and wild flowers. The Preliminary Highway Layout Sheet for the application 2017/0022 shows that the hedges would be retained with a footpath between the hedgerow and road from the entrance towards Wells. The Planning Committee does not consider that this is possible and that the hedge would have to be removed. On application 2013/1033, the Illustrative Master Original Plan shows a footpath with the hedge removed. Condition 2 (d) Approval of details of the landscaping of the site with reference to Condition 4 (a) All hard and soft landscaping within the site (including boundary treatments) and a programme of implementation require approval of the details from the Local Planning Authority in writing before any development is commenced. It would be better for pedestrians that the hedgerow is between the road and the pavement. 	
Marigold 3	3. The applicant has not supplied sufficient information as to what s278 works are to be carried out.	

2016/2582 FUL	The demolition of existing children's nursery and the erection of a new children's nursery and 2 no dwellings to financially cross subsidise development (re-submission) Additional information received 21/03/2017 including risk assessment and revised site plan).	
	Tree House Day Nursery, School Lane, South Horrington Village BA5 3DL	
Lynsey Bradshaw	RECOMMENDED: APPROVAL PREVIOUS RECOMMENDATION: REFUSAL subject to risk assessment and net locations, designs and maintenance.	
2016/2583 DUB	The demolition of existing children's nursery and the erection of a new children's nursery and 2 no dwellings to financially cross subsidise development (re-submission) (Additional information received 21/03/2017 including risk assessment and revised site plan).

2017/0022 FUL	An application for 203 Residential dwellings and associated public open space, landscaping and infrastructure.	
-	open space, landscaping and infrastructure. Land at 353491 146562 Wookey Hole Road, Wells RECOMMENDED: APPROVAL subject to the following conditions and comments: 1. A maintenance charge to be levied on each property to protect the Parish Council from the maintenance costs of the green spaces. 2. The Parish Council welcome the increase in the number of houses but with the provisos that the extra housing is affordable and there is no increase in density above the current 203 homes. 3. Security fencing to be erected on the west boundary to prevent encroachment onto private land. 4. Protection required from future development for the public open spaces surrounding the site. 5. The adjoining land (edged blue on the plans) to be designated exclusively for community and school use and not housing. 6. Section 106 funding to be secured for a community facility on the adjoining land (edged blue on the plans). 7. The Parish Council would like to know if there are any more details on the proposed school and who is going to fund it? 8. Point 2.3.19 of the proposed Framework Travel Plan is unrealistic. Consultation with Somerset County Council Routes for Schools is necessary to ensure safe crossing from this site. 9. Funding is needed for a crossing on Wookey Hole Road and Highways to be consulted. 10. There needs to be an adequate pathway front of the site on Wookey Hole Road. 11. All paths should be of a suitable gradient and hard surfaced for disabled access. 12. There should be a 2 metre wide disabled accessible and cycle friendly path onto St Cuthberts Avenue. 13. The access paths onto the old Strawberry Line need to be disabled accessible. 14. Section 106 funding to be secured to support the costs of the 67 bus service for a defined long-term period.	
	 15. The sewage system to be updated to ensure it has the capacity for the development. The sewage company to confirm that the pumping station is capable of dealing with the additional volume of both waste and flood risk. 16. There are major concerns about the adequacy of all infrastructure. 17. St Cuthbert (Out) Parish Council request that they are represented at Section 106 negotiations. 	
Oliver	18. St Cuthbert (Out) Parish Council request that a Bovis representative attends any future meetings to present their plans, especially if they require amendements.	
Oliver Marigold	The Planning Committee are in full agreement with the comments already made by the neighbouring Parish Wells City Council.	
2017/0149 FUL	New private drive and access to the public highway.
